VAN HOOK REPLACED  
BY J. C. SIMONS

With the announcement yesterday of the removal of Captain Van Hook, federal prohibition agent for this district, with headquarters at Hammond, by Prohibition Commissioner Frank R. Richardson of Chicago, it is rumored that the change was made for reasons that would not bear inspection.

C. J. Simons, formerly an assistant in the Chicago office of superintendent of prohibition forces in the midwestern states, has been appointed to take his place. It is said that the appointment is only temporary, however.

When questioned as to his removal from the government office Captain Van Hook is said to have remarked that he handed in his resignation several months ago at the same time when Maj. Duryea asked that his resignation be accepted. Other changes have been made in the personnel of the dry enforcement staff at Hammond it is understood, but to what extent is not known.
